Club Captains Report – Stacey Margerison

Short and sweet as things seem to be a little quieter currently, with one last rep fixture this coming weekend and no interclub currently being played. Senior club days too are a little lighter on numbers but could just be that there have been other things on, local tournaments and nationals come to mind.

Monday nights are still getting a few players which is great.

Goodluck to Alex who is representing us at Rosebowl this coming weekend. Thanks for Russell, Gary, Alex, and myself for meeting with the LOVE Tennis crew. No word on the video yet, but I for one am in no rush to see that!

The Charity Tournament Ari and myself were organising was played on Saturday at HB Lawn. The day went really well, lots of amazing sponsors, helpers and players (106), on the day and some great tennis too. So far, we have raised just under \$14,000, with bar profits still to come.

The port-a-loo is in place (thanks Stu and Craig) and while it's not getting a lot of use, with the TSA coming in to their busy time of year with Football and Harriers, I can see it being utilised more often with Saturday afternoon drinks perhaps being in the NOW Container a little more often than usual.

Prizegiving is set for Friday May 26, 6pm. This is my next task to organise, along with all the engraving. Any other helpers??

I will be putting out a newsletter in the next week (or so), anything you want added let me know. So far will be Club Champs results, Prizegiving, Club Merc and the usual promotions.

Membership Managers Report - Tony Verry

Not too much from the membership side of things.

Have had a couple of enquiries about joining up from people new to the area, hope to see them at club days soon, and also Miriama and Felix have finally been able to move here from Auckland, some of you will remember meeting them at a club day a fair while ago. Welcome to Miriama and Felix.

Ian has given me a couple of Juniors to chase over the past few weeks, just have one outstanding as far as I am aware.

So we are at 240 paid Juniors and just over 200 Seniors with a couple and possibly another to come soon.

I am currently (now that the Junior Saturday morning season has finished) cleaning up the database again. I am down to just over 100 members to delete, 90 of these Juniors who have not returned this year and may not have been for the last two years, as this database had never been cleaned up until this season when I removed older than two year non paid members earlier.

I have been away a bit in April, may have only made one club day, which was pretty light in numbers, but still seems to be lots of different groups hitting at different times.

Thanks

Tony

Coach's Report - Jac Wardrope

GREENDALE TENNIS CLUB

COACHES REPORT - APRIL

Hi all,

Not much to report now that the official season is now over and with school holidays only just behind us.

Went up to Auckland in the first week of the school holidays to complete my third face to face block of the Club Pro course. Trip was good, learnt heaps, good to swap ideas with other coaches. One left in July then a heap of homework and I'm all done.

After school coaching for the winter term is looking as busy as term 1 and 2. I'm doing more hours, Heath a few less as he's back full-time relieving at Taradale Intermediate and has some rugby coaching commitments over the next two terms.

I'm back working for Tennis Eastern on Fridays too now (JDG).

That's it I think.

Junior Coordinators Report - Ian Smith

Season has finished for Saturday morning tennis, so a short report.

April Tennis Holiday Programme was completed in the first week of the school holidays: The three sessions were well received by players and parents. Around 18 attended each morning. Thanks to Alex Cave and Christine Huang who assisted with coaching.

Junior Prize giving is again being combined with Senior Prize giving on Friday 26 May starting at 6pm.

Envisage Saturday mornings restarting either Saturday September 2nd or 9th. Holidays a week earlier than past few years. Preference is 2nd September. Starting 9th only gives 2 weeks before holidays (usually we need 3). However, the 2nd may clash with Continuous Spouting Spring Tournament? Monday Singles to restart the Monday after Saturday mornings restart.

Funding Resolutions

General Business

Life Membership Applications - Do some research into these applicants before the next meeting.

Rubbish Bins - Get a junior helper to empty it after Saturday mornings. Terms 1 and 4.

Kara Orviss & Mitch Jackson memberships - Paid for next year and Tony is going to walk them through getting them a door code.

Club Awards:

- Club Spirit - Norma Ching
- Interclub Player of the Year - Ryan Lynch
- Most Improved Male - Oscar Wylie
- Most Improved Female - Carola Laurs

Buster's death - Stacey is going to do a card to give them on Saturday. And there will be a minutes silence on Saturday.

Ray Burney - Make sure he will be happy to keep going. And Ian Smith is going to get him to prize giving.

Portaloos - Key is in the club day box and only open for club day. Or it can be opened up for special events. Put a padlock on that gate so people can't jump the fence and get in there.

Net repairs - costing a lot to get them repaired. Better to get new nets. Going to get junior net repaired.

Signage - Craig going to get examples to show members.

Calendar - Craig had a meeting with Jac to sort out a calendar for the year.

Quote on Plumbing - \$2200 to get a 900 mm filtered tap. Going to try and get funding for it. Going to accept the quote conditional on funding.

Meeting Closes At: 6.48 pm
