Presidents Report - Stu Dawson

Morning,

Another day of the weather we expect in the bay by the look of it. Not a lot for me to comment on this month, courts 4,5,6 have been sprayed for moss and the drains cleanout just in the nick of time, thanks Stacey.

Our AGM is just around the corner, and the committee are meeting a week early so we can send out all the information you will need and give you time to process it (Two questions Sue I`m expecting great things).

The AGM is 6pm on the 9 th August at the TSA.

We are looking most definitely for a club secretary so if you`re keen let us know.

I will be sending out Nomination forms and the Agenda tomorrow.

Enjoy the day.

Regards Stu
President

Club Captains Report – Stacey Margerison

Great to see so many out on the weekend enjoying the winter sun and some tennis.

Senior Sunday Interclub is coming to an end with the last round for all teams being played at HB Lawn this Sunday, followed by Pizzas.

Thump Twos entries are due in the next week, all entries to myself or direct to Tennis Eastern. Teams of 2, played Friday nights, singles and a doubles.

Thanks to Stu for spraying the middle bay courts, fingers crossed this sorts out the moss issue.

Havelock North are holding their Mixed Tournament on Sunday 17 September. It would be good to see GTC continuing their good name and supporting other local clubs.

And finally, GTC's AGM, Wednesday 9 August, up at the TSA, 6PM.

Cheers
Stacey

Membership Managers Report - Tony Verry

We have had a couple of recent visitors looking to join and a couple of new members last month, other than that not a lot to report. Good to see different members getting involved in Sunday interclub.

It seems Monday club nights are proving popular, which is great. I will load all the new membership packages on to club spark after the AGM and send an email reminder to all members that subs are due from 1 September after these are loaded.

Great sunny weekend!!

Coach's Report - Jac Wardrope

Just a couple of things to report:

I'll be visiting somewhere between 5 and 7 primary schools in the lead-up to LoveTennis and our opening day. Hoping we have the same success as last year with our junior number jumping 30% - we'll need some new volunteer coaches for Saturday morning if we have a repeat!

Ian, David and myself have fine-tuned the Saturday Morning Hotshots programme again. Aimed at our youngest players (4-5 year olds), we're integrating Sport HB's Fundamental Movement Skills programme with our Red Ball program so that these players have more success earlier and are better prepared for the next stages of learning tennis. We felt like some of the youngest players who came to learn would benefit a lot more from learning these skills before we spend more time with a racket in our hand.

Once again I've got a very full timetable of private coaching/cardios/squads this term. Heath is looking for more hours so we'll be advertising midday cardios/tennis xpress sessions on Thursday and Friday soon (TBC).

Looking forward to another busy season!

See you tonight
