

## **NBTA Meeting 13 May 2024**

### **Senior Convenor Report**

#### **Interclub Lighting Payments**

I have calculated the lighting payments based on the criteria agreed last year. Mapua and Upper Moutere both have lighting now, so the number of lit courts available for Interclub was increased from 33 to 38. I will provide the copies of the calculation at the meeting and explain the method used.

#### **Nelson v Marlborough Fixtures List**

I have compiled a list of all the fixtures between our two areas, both NBTA and TNZM. The plan is to discuss this with Marlborough to decide whether this constitutes a comprehensive and appropriate schedule.

Given the difficulties experienced over that last 2 years, I will be asking whether it would be a good idea to remove singles from both the Lucas Cup and the Winstanley Shield. These events are for seniors and the inclusion of singles restricts the number of players prepared to take part.

This may provide the opportunity for an open singles-only tournament to be added to the schedule.

#### **Tennis NZ Masters Nationals January 2025**

The Richmond Tennis Club will be hosting the TNZM Nationals in Nelson From Friday 24 January to Tuesday 28 January 2025. This is the first time the Nationals will be hosted by a Club not affiliated to TNZM.

The event will be managed by Tennis NZ Masters with me [Liz Ewins], Trish Wehner [RTC] Steve and Penny Molnar [Lawns] and Geoff Nalder [Tahuna] organising all the local arrangements.....and there will be many!!!

The Event will use Richmond, Lawns, Stoke and Tahuna Tennis Clubs.
