won by \_\_\_\_\_

**Captain's Signature** \_\_\_\_\_

- The winning team captain is to enter the results within 24hrs of the game finishing.
- go to [www.tennis.org.nz](http://www.tennis.org.nz) or put this link on your website
- On the grey menu bar click Login and then select Captains Login
- players code (this is your code, captain) – this allows you to Request a password and sends you an email to confirm this – check emails.
- Use password to get into results page – Enter your match results. There are drop down boxes to select players. There is a *Help* button that provides instructions. Click the *Update* button to submit the results.
- The Contest Result and Points are calculated automatically. Any errors will be highlighted in red. If you cannot find a player, or have any problems that you cannot fix, then key in notes for the Administrator. The Results will be saved even if they are incomplete or have errors.
