- Sportsmanship and good behaviour on the court:**
Good behaviours and sportsmanship are expected at all times around a tennis club. If a child is showing poor behaviours or sportsmanship they will be given one warning, followed by five minutes time out..If their behaviour is still not acceptable on return to the coaching session their parents will be telephoned to pick them up early. Being a good sport will be strongly encouraged. Bad behaviour is not fair on the other players and coaches.
- Disruption on the court:**
Parents please insure your younger siblings are supervised while the older siblings are doing their lesson. We do not want the lesson disrupted as this is not fair on the players and the coaches.
- Video analysis:**
Video analysis on players will sometimes be used to help ensure players' technical skills are correct.
