

Message of Welcome from
Phil Mauger, Mayor of Christchurch

Nau mai, haere mai.

I am delighted to welcome all the competitors, officials, volunteers and supporters to Ōtautahi Christchurch for the Tennis New Zealand Masters National Teams Event.

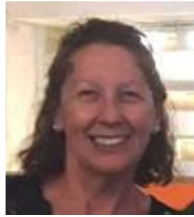

Tennis Canterbury Masters will be hosting around 360 players from all over New Zealand and Australia. Wilding Park Tennis Centre and Spreydon and Shirley Tennis Clubs will be great venues and I know our local residents will ensure this event is well supported and provide the warm welcome we Cantabrians are known for.

Ōtautahi Christchurch is a place with new experiences around every corner. Our revitalised city is a great place for visitors to explore with a plethora of recreational opportunities to enjoy at our doorstep. Alongside beautiful parks and gardens, our modern central city has taken shape. I hope those of you visiting the city take the opportunity to explore and enjoy all Ōtautahi Christchurch has to offer.

Best of luck to everyone taking part, I wish you all the best for a successful weekend.

On behalf of the TNZM Management Committee and our Administrator Lyndsay Dick, it is my pleasure to welcome players and whanau to the 2024 Pascoes Tennis NZ Masters National Teams Event. It is also special in that it marks 100th anniversary of a tournament at Wilding Park.

With 72 teams entered, this is the largest entry to date, which bodes well for the continuing growth and success of Masters tennis in New Zealand. Keep encouraging all those in your regions to participate. We wish you good luck on the tennis court and an equal measure of fun when the games are over.

Our Easter Teams Event is a special time when players can enjoy great tennis and share the camaraderie of friends.

Thank you Tennis Canterbury Masters, we are grateful for your invitation to play the game we love on the courts of your beautiful garden city.
