CHANGE OF NAME:

Te Tēhēhi o Aotearoa

To keep in line with changes made to the ITF World Tennis Masters Tour - moving away from the word Seniors to Masters, Tennis New Zealand Seniors will now be known as Tennis New Zealand Masters.

This change will certainly make distinguishing the difference between a Senior member of a club now to that of a Masters player.

Message from TNZM Administration

Time for a change.

I will be retiring from Tennis New Zealand Masters later this month but before I go I would like to say how much I have enjoyed my time with the Masters. Warm regards to all, Dawn

Dawn, on behalf of the TNZM Management Committee and our family of players I extend a huge bouquet of thanks for all the work you have done for us. If we started to count on our fingers 8 years worth of tournaments, handbooks, AGMs, newsletters and more, well, we would quickly run out of fingers. So Dawn for your dedication and professionalism we are eternally grateful and now, please, dust off your racquet and stay active in our whanau.

John Dunbier, President

NEW NATIONAL ADMINISTRATOR

A warm welcome to Lyndsay Dick who has been appointed by the Tennis New Zealand Masters Management Committee to the position of National Administrator.

Lyndsay has been involved with the sport of tennis, both as an administrator, referee and player so will bring a wealth of skills to what is quite a demanding role. Lyndsay has experience in sports management and has a strong presence within the Canterbury Tennis community.

We are delighted to have Lyndsay join the organisation and wish her all the very best.

Pascoes Tennis Masters National Championships 2023

Preparation is well underway for **Pascoes Tennis Masters National Individual Championships**, one of Tennis New Zealand Masters major events on the annual calendar.

It will not be long before November is gone and we are into December, then Christmas which has a way of creeping up on us without our realizing.

Start making your booking for accommodation and airfares - there is always plenty of other activities around Christchurch over the holidays so to delay is not a wise choice.

The Fact Sheet is on the TNZM website which has all the information for the event.

The website for TNZM is as follows however if you have a problem use the old website name which should be okay.

Pascoes Tennis Masters National Teams Event 2023

Pascoes Tennis Seniors National Teams Event will be held on 7-9 April 2023. Put the dates in your calendar and start organizing your teams. Never too early.

The teams event is a great time and place to catch up with your old friends and is a must on the Tennis NZ Masters Calendar.

Waikato Seniors Tennis Club will be hosting the event and are looking forward to seeing you all participating.

It is also a good idea to organize your accommodation early because the Waikato area always has plenty of action happening over Easter Weekend.

All information will be on the Tennis NZ Masters website in the next couple of months with all the information you will require - especially the theme for the Prizegiving night.

From the Taupo Tennis Seniors Tournament

Taupo's tournament began with a tribute to Bert Betteridge, a Life Member of the club and a long-time organizer of the event who sadly passed away very recently.

They were very lucky to have a beautifully fine weekend for the tournament with a strong number of entries which was great. Because there were so many mixed doubles entries, another division of waitlist players was made with players playing out at Acacia Bay. This was so successful they intend to do the same next year if their entries exceed the numbers required.

Well done Taupo Seniors.
