RULES & CONDITIONS

Ownership:

The Championships shall be owned by and under the direction of Tennis NZ Masters Inc. who may assign all or any rights to the host Masters/Seniors Club.

Team Championships:

Age Groups: Men & Women: 30+, 35+, 40+, 45+, 50+, 55+, 60+, 65+, 70+, 75+

- To be eligible to participate in any age group, a player shall have reached the minimum age limit by 31st December 2023
- Teams may consist of mixed ages but must be entered in the age group section of the youngest player of that team

Team Composition:

- A player must be a **current financial member of a Masters/Seniors Club**
- A team consists of minimum of 4 players, maximum of 6 players in any one team
- All players date of birth and Match Hub ranking doubles ranking must be indicated on the entry form
- Each club may enter more than one team in each age group with the understanding that additional teams may be placed in a different section from the one entered, should it be necessary
- Teams can be made up from one Club and entered in the suitable age group. Players can be drawn from the home Club **and two adjacent Clubs** (3 clubs in total) List of adjacent clubs below.
- A player must play for the Club/Association where they reside if they are required by that Club/Association. This rule must be adhered to
- A player playing for a Club other than where they reside, must have a **player release form** from their home club if their home Club has entered teams in the event. A player release form from their home Club will not be required if no teams have been entered from their Club.
- If a team has more than one player from an adjacent Club, the **team name** must include both Clubs
- Teams will contribute points towards the top club trophy ("John Mickell Cup")

Individual results will not be loaded into TNZ Match Hub as the event format does not meet the prerequisite for ranking points.

The organisers reserve the right to divide, amalgamate or otherwise deal with age groups where there are too many or too few teams. In a manner which they consider will provide the best standard of competition for all.
