The ITF **Seniors** World Teams and Individual Championships, were played at Palm Beach County, Florida, USA in May 2022.

After a drought of a couple of years with no teams travelling to the Worlds, it was good to finally have a team entered. John Lawrence, Rhett Mason, Mark Millar and Philip Seeman participated in the Men's 60+ Teams Event and Individual Championships.

The Von Cramm Cup (M60) had 22 teams participating - they were split into seven sections. The New Zealand team had a very challenging first match against Great Britain losing 0/3 however went on to play Denmark in their next match, this time winning 3/0. The team continued their good form defeating Croatia 3/0 and Chile 2/1.

This put them into playoffs for 12th to 14th. Portugal was their first match in this knockout which they won 2/1 but their next match against Sweden was a little tougher, losing 1/2 - the placings ended with New Zealand in 13th place. In the Individuals, Philip & John reached the Semi Finals in the 60+ men's doubles and John performed extremely well being runner up in the M60 Singles Consolation.

In the **Super Seniors** Individual Championships Sue Jamieson played some fantastic tennis to reach the final of the 70+ Women's Doubles and Mixed Doubles. Sue had a tough match in the first round of the singles however went on to win the 70+ Women's Consolation. **Two Silver Medals & Winner of the Singles Consolation—well done Sue.** Check out all scores on the TNZS website under ITF Seniors.

## Correction to the TNZS May News

### Tennis NZ Seniors Annual Awards:

The article on the "Club of the Year" which was won by Lower Northland Seniors Tennis Club made mention of David Theyers having won two bronze medals at the 2022 Pascoes Tennis Seniors National Championships. David actually won two "gold medals".

An attachment was also sent at the same time as the May News. This was for the Final Points standings for the 2022 Pascoes Tennis Seniors National Teams Event.

A correction to the results for the Men's 60-65 standings. Reverse the column that is headed 60 & 65 to show 65 & 60 (see opposite)
