It is good to see that there is plenty of tennis being played around the country.

On the 26th September the **TAUPO TENNIS CLUB** held its annual Seniors Tennis Tournament where 140 players participated from all over the North Island. Because of the large entry the Club had to source external courts including a couple of private courts and the some matches had to be completed under lights.

Unfortunately, they were hit with a weather bomb on the Sunday and had to cancel the mixed doubles.

Players have already expressed their intention to enter next year so obviously a great time was had by all.

Check out the list of winners and few mug shots taken along the way.

ITF Seniors Trophies for 85+ Age Group

ITF Seniors have announced that the men's and women's 85+ and over category of the annual ITF Seniors World Team Championships will be renamed to recognize two legends of the sport - Lorne Main and Angela Barrett (nee Mortimer).

Member Associations were recently invited to make nominations for the naming of the events and following a unanimous vote by the ITF Seniors Committee, they will be named the Angela Mortimer Cup and the Lorne Main Cup from 2021.

You will be interested to know that Tennis NZ Seniors sent in a nomination for the men's cup to be named the Anthony Wilding Cup.

Lorne Main, nominated by Tennis Canada, not only competed on the Seniors Circuit for over 30 years, winning titles at every age category he competed in, but also competed at Grand Slams and represented Canada in the Davis Cup. He sadly passed away in October last year—he was in his 90th year.

Angela Mortimer, nominated by Seniors Great Britain, was Britain's leading tennis player in the 1950's with a distinguished international career in which she won three Grand Slam titles and reached World No.1. She captained Britain's Federation Cup team from 1967-70, was appointed Commander of the British Empire (CBE) in 1967 and was inducted into the International Tennis Hall of Fame in 1993.
