LET'S TAKE A MOMENT WITH...

MEGAN RAWIRI

A member you will not forget when you meet her is Megan.

On the court she is as quiet as a mouse, with the passion of a tiger and the ability to play across any age and level.

Her family are avid players within the club too - where you'll see her partner up with her husband or daughter on the court. Megan also holds an important role on Tawa Tennis Club Committee as our Memberships role. This month we're excited to share a little more about Megan.

What gets you out of bed in the morning? The excitement of the new day, how to try to be a better person and also what fun adventures I can get up to that day :)

What was the last vacation you took? The last vacation was hiking in the Nelson Lakes region with members from the Tararua Tramping Club in March, an awesome 5 day adventure with great people, scenery and backcountry goodness

Did you play tennis growing up? Yes, played tennis from 8 years old til 12 years old continuously, played anyone I could find, against a hitting wall, the house or anything, loved it.

What is one thing you value about being on the committee? A chance to collectively make decisions to make the club as good as it can be.

If you could compete in the Olympics (for anything), what would it be? Mountain biking - yeehaa!

What do you love about the role you play at the tennis club? Playing tennis probably the most, being outdoors in the sun is awesome, and within the committee - being part of helping the club thrive.

If there was one piece of advice for a member of the tennis club, what would it be? Get involved as much as you possibly can with playing or helping out in any way you can, I think the more involved you are the more enjoyable it is.

THANK YOU!

YOU DESERVE IT

LET'S TAKE A MOMENT TO SAY THANKS.....

ROLAND GARROS AFTERNOON @ RENOUF

A great afternoon was held at the Renouf Tennis Centre as part of the Roland Garros in Paris on a Saturday afternoon.

The courts had flair, groans and laughter as doubles were played out across the courts of two hours of tennis - changing up partners and oppositions to serve out points before tasting French themed snacks afterwards.

Many thanks to everyone who came, and to Megan and Ellie who organised the afternoon and food afterwards.

WORKING BEE

A special thanks to all those who came along in May to support our club and chipping in with the WINTER WORKING BEE.

Many hands make light work, and this was evident by all those who came and got stuck in mowing the lawns, weed-eating, trimming trees, clearing paths, sweeping up and filling up the trailer. A special thanks to everyone who came along - and all your time you gave, whether it was an hour or two.

To maintain the grounds over the winter months, a roster has gone out to teams.

SALE!!! CLOTHING

TAWA TENNIS CLUB MERCHANDISE

Our branded tennis club apparel has been massively reduced!

Save **50%** on all current stock that is being held by the club.

Junior and Senior Apparel available. Once it's gone - it's gone!

Cap/Visor

T-shirt

Zip Jacket

Zip Hoodie

Shorts

LAWN MOWING

CLUB MOWING ROSTER

The "Lawn-mowing Roster" had many gaps in it, leaving the lawns at the tennis club neglected and falling on others shoulders to carry out the lawn-mowing job.

To alleviate the burdening pressure for this, the committee have created a monthly roster.

JUNE	JULY	AUGUST	SEPTEMBER
Mens 3 (Alex Collier)	Mens 5 (Sean HU)	Monday Mens A (Gary Romijn)	WORKING BEE 1st SEPTEMBER

Team Captains will be sent out an email two weeks leading into their scheduled month of mowing duties.

Each team has been allocated a month where they are responsible for mowing the lawns. The lawns consist of Bays 1, 2 and 3 as well as the path to the public courts.

NEED A VENUE?

HAVE AN EVENT?

Available on hand:

Tawa Tennis Club is available for hire for our community. Whether you need something for a family event, community group, or something active to do for team-building please contact anyone in the committee to discuss hireage options - tawatennisclub@gmail.com.

- Kitchen space
