

Core Tennis - Newsletter

Events

HOLIDAY PROGRAMME

July 3-5, Katikati TC
Three days of fun-fuelled junior holiday camps from 9.30-12.30. [Enrol](#) via the Katikati Community Center

PROGRESS SQUADS

Sundays, Waihi TC
Practice once and you'll maintain. Practice twice and you'll grow. Is your child keen to develop more? Join our 'Progress Squads' to practice with the most motivated kids across the region!

PICKLEBALL

Sundays 10AM-12PM, Waihi
Come and try one of the fastest growing sports in the world. A 'sister' of tennis. Indoors. Every Sunday morning at the Waihi Event Centre with Bodin as coach. Contact Sue (sueden@xtra.co.nz) for more information.

MATERIALS WEEK

Week 6 - term 3
In this week, we'll check everybody's materials and make recommendations for improvement.

Term 2 ended with an amazing InterCore tournament in Waihi. Two weeks of holidays and we pick up where we left in term 3!

Seniors

Enrolment is now open for the next cycle. Use the 'FlexiTennis' offer to have coaching your way, your time. There's a fixed fee per hour. You make your group, so the more people, the cheaper per person. Enquire to discuss our availability and we'll book the sessions in. Even if that's not weekly.

Looking for private lessons? Reach out first to discuss your needs and when and where. We'll discuss options and once you're happy, you book them in via the regular [booking tool](#).

Lastly, go out and play each other in a ranked game! You enter the score in the ladder app and try again the week after.

Bodin won the first coach battle. But as we always tell the kids; you gotta win twice to prove it! Thanks to the Waihi ballkids.

Juniors

July 9th; [enrolment](#) deadline for junior coaching term 3.

By enrolling in time, we can make sure your child is in the ideal group for their development and enjoyment. Please enter time/friend preferences in the comment section. Grouping is based on a mix of factors: age, level, peers and potential. Late enrolment risks suboptimal placement.

New team member - Haille Strange
With ever increasing numbers, we've been looking for some additional coach capacity to maintain our coach-student ratio. Be ready to meet Haille, our newest team member!

Progress Squads

We are continuously exploring how to improve. In term 3, we will run Progress Squads in the orange/green and the yellow ball category. Both lasting 90 min. Anybody enrolled in our regular programme is eligible.

REMINDERS

Regular club coaching is always on, rain or shine. We'll make use of the squash / clubhouse.

Do you need any materials, please reach out. We can advise you and place orders for you with Babolat, our sponsor, at lowest market price.
