

Saturday Duty Roster - Mar 2025 - May 2025

- Each week a committee member is rostered on. The purpose for this is to help Club members with any issues that they may have while doing the Board. The committee member will help you close up at the end of the day.
- When you are on Duty, **Club players will be allocated a court according to their playing order (refer to Board Play)**. Our current player numbers dictate that players will need to stand down for a round.
- If you are unable to cover the duty day assigned to you, it is your responsibility to arrange a swap with another Club member.
- You will need to arrange with Paul to pick up the fob /key for the club house or collect it on the Saturday prior to your duty day. The code for the gate will be emailed to you prior to your duty day.
- On the Saturday, please bring milk for pm tea. Optional if you wish to supply afternoon tea. At the end of the day please ensure all bathroom windows are shut, blinds pulled down, and sliding doors locked, and bar also locked.

Thanks for your support for organising Saturday Tennis. [Jill Gordon Ph: 0272664044](tel:0272664044)
