

We've been busy!

March 2022

Courts - Fencing - Deck - Balustrade - etc

The resurfacing of Courts 1 - 4 is now complete. Happy to report they look "smashing" and are playing very well. Hallelujah!

The new deck extension provides fantastic courtside viewing...think we may have to sell seats at finals and exhibitions! :)

Our new balustrade kindly sponsored by ABBAS Balustrades, Gates, Fences and Handrails, is almost finished. We just need to get the film on the glass, handrails on stairs, plus some signage.

The new ramp is awaiting a handrail so huge appreciation to Mackay Stathnaver Trust for providing the funds for this handrail. Thank you to our club member Viv Hill!

The final touches to the fencing including wind cloth, Golden Homes banners, court numbers are not far away. We are also sorting out lighting for the stairs. Do you like the seat under the tree?

*Thank you to our partner
Golden Homes! Your
support for our club has
been exceptional*

Who dropped their phone between the cracks of the deck at club day?

One of Scott's first tasks as our new Property Convenor. Retrieved in no time! Nice one Scotty!

Congratulations Sophie Karl!
