VISITOR – POLICY

We at the Mount are very proud of our club and would love to have visitors and potential new members join in on an organised club session.

1.00-3.00pm Saturday - graded match play for 30-minute intervals coordinated by the duty member/s. If rained off the event defaults to the Sunday automatically.

If seeking a new Club and you wish to see what the Mount has to offer, your first session is extended to you free of charge by simply advising the duty person upon arrival. For the second organised event you attend there will be a charge of \$15 and for the third event we will invite you to become a member.

For casual visitors and holiday makers that have no intentions of joining the club a \$15 fee applies per organised event, or if an affiliated member of another club, there will be a charge of only \$10.

Approved by Management Committee
